Question 3:

When is the competition?

Answer:

The competition period runs from now until May 18th

Note: Adjustments will be made accordingly based on the actual situation.

Question 4:

How many levels are there in this competition?

Answer:

This competition has a total of 80 levels, with 10 new levels released every Monday.

Note: Adjustments will be made accordingly based on the actual situation.

Question 5:

How can I get the certificate of this competition?

Answer:

You can download the certificate from this website 7 business days after the competition ends: https://home.icode4good.com/

Note: The account on this website is the same as your competition account.
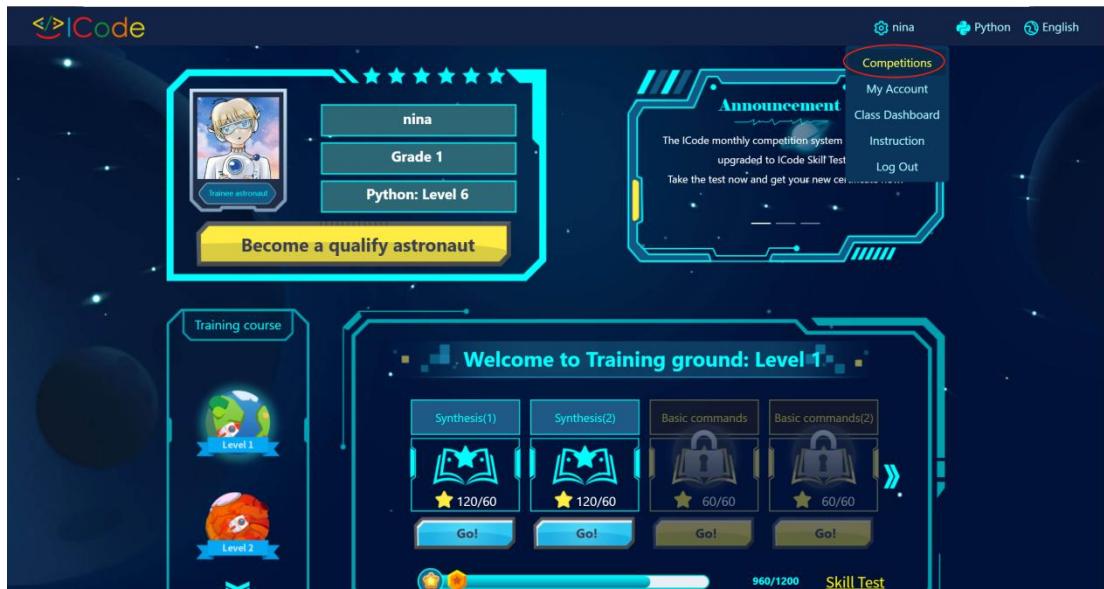

The certificate style is for reference only.

Question 6:

What is the winning ratio of this competition?

Answer:

Everyone will receive a commemorative certificate for participating in the

qualifier.

The winning ratio for the regional finals is: 10% for Gold, 30% for Silver, and 60% for Bronze.

Question 7:

How can I qualify for the regional finals?

Answer:

Everyone can enter the regional finals.

The qualifier is a learn-as-you-go competition, and everyone can join before the competition deadline.

The regional finals is a 60-minute timed competition with a fixed start and end time. If you achieve good results, you may be recommended to participate in the offline competition or international competition.

Question 8:

How can I study more deeply?

Answer:

You can learn more on this website: https://home.icode4good.com/

Note: The account on this website is the same as your competition account.

If you want to become a member, you can contact the staff.
